

HCFC 123 Clean Agent Extinguisher

Strong. Yet Sensitive.

Ceasefire's Clean Agent Extinguishers contain HCFC 123, an eco-friendly and powerful extinguishing agent. They are extremely lightweight, yet packed with tremendous power and throw to penetrate past the finest grills and meshes.

Safe to use on ultra sensitive equipment

Before

After

A fire on office premises can destroy your expensive electronic equipment – computers, servers and more – all in a matter of minutes. Powder based extinguishers can cause corrosion and irreparable damage to such equipment.

Ceasefire's cutting edge HCFC 123 Clean Agent Extinguishers leave no residue, pack in mega power and are absolutely safe on sensitive electronic equipment.

Key Features:

Safe for use on sensitive equipment

Leaves no residue

Works on all classes of fire

Easy snap safety seal

State-of-the-art pressure gauge

Controllable discharge mechanism

Instalert

EPDM rubber hosepipe

5 year warranty

ISO 9001 certified

CE certified

Available sizes: 2 kg, 4 kg and 6 kg
