STANDS AND TROLLEYS**

**CEASEFIRE STANDS & TROLLEYS**

# SAVES TIME. SAVES LIVES.

Imagine being trapped in a raging inferno.

The first thing that pops into your head is to call emergency services. The second option is to battle it with extinguishers while waiting for assistance.

Finding the exact location of the extinguishers can be challenging

due to the amount of dense smoke engulfing the building. And given their weight, transporting these extinguishers to the fire would be even more difficult.

The need of the hour is a dedicated stand & trolley system for the extinguishers, making them easier to identify and carry to the scene of the fire.

# BENEFITS OF STANDS & TROLLEYS

## 1. Aids mobility:

Carrying a heavy extinguisher to the scene of a fire with all the dense smoke making it hard to breathe and see clearly is next to impossible. Having stands and trolleys for the extinguishers makes it simpler to carry them from one location to another in such a situation.

## 2. Saves time:

Stands and trolleys offer practical, possibly life-saving advantages in addition to the more basic ones. As opposed to standard signage and hanging extinguishers, they act as bright red emergency signs, making them more noticeable. This increases their visibility during an emergency, potentially saving time, property, and lives.

## 3. Provides a dedicated space:

In a fire emergency, a clear path to the closest extinguisher is a must. Therefore, a location designated solely for extinguishers with photoluminescent signs would make it simpler for people to find and access them in an emergency. It also works well in places with no walls for placing the extinguisher.

## 4. Easy maintenance of the premise:

Stands and trolleys offer excellent long-term protection to the surrounding area. Extinguishers are less likely to scuff walls and floors when moved or knocked by everyday traffic. Instead, they provide a secure environment for the extinguishers, increasing their speed and agility.

# FLAT PACK TUBULAR STAND FOR FIRE EXTINGUISHERS (CHROME FINISH)

An aesthetically pleasing design that epitomises functionality, these Fire Extinguisher Stands in Chrome finish are an ideal choice for most spaces .

The stands come with a Co2 fixing bracket and a J-bracket for easy and steady installation along with a provision to attach a sign clip for extinguisher identification.

## THE STANDS ARE AVAILABLE IN 3 VARIANTS:

Stand for Single Fire Extinguisher

Stand for Double Fire Extinguishers

Stand for Triple Fire Extinguishers

## FEATURES:

- High quality tubular frame in chrome finish.
- Tubing diameter of 25mm.
- Black plastic base to protect the stand.
- Comes in a box packaging for ease of transit and storage.
- Easy to assemble.

## PRODUCT DIMENSIONS:

- Single Extinguisher Stand Chrome - H70 x L710 x B320 mm mm and weight 2.8kg
- Double Extinguisher Stand Chrome - H70 x L715 x B505 mm mm and weight 5.14kg
- Triple Extinguisher Stand Chrome - H70 x L715 x B650 mm mm and weight 7.41kg

## PROVISION FOR ACCESSORIES

The stands comes with a provision to add a placard and a clip for mounting of signage. For details on the signages available please refer to the Signages section under Accessories.

## Single Fire Extinguisher Stand

Size: L-710 x B-320 x H-70 mm

## Double Fire Extinguisher Stand

Size: L-715 x B-505 x H-70 mm

## Triple Fire Extinguisher Stand

Size: L-715 x B-650 x H-70 mm

# FLAT PACK TUBULAR STAND FOR FIRE EXTINGUISHERS (RED FINISH)

An aesthetically pleasing design that epitomises functionality, these Fire Extinguisher Stands in Chrome finish are an ideal choice for most spaces.

The stands come with a Co2 fixing bracket and a J-bracket for easy and steady installation along with a provision to attach a sign clip for extinguisher identification.

## THE STANDS ARE AVAILABLE IN 3 VARIANTS:

Stand for Single Fire Extinguisher

Stand for Double Fire Extinguishers

Stand for Triple Fire Extinguishers

## FEATURES:

- High quality tubular frame in red finish.
- Tubing diameter of 25mm.
- Black plastic base to protect the stand.
- Comes in a box packaging for ease of transit and storage.
- Easy to assemble.

## PRODUCT DIMENSIONS:

- Single Extinguisher Stand Red - H70 x L710 x B320 mm and weight 2.8kg
- Double Extinguisher Stand Red - H70 x L715 x B505 mm and weight 5.14kg
- Triple Extinguisher Stand Red - H70 x L715 x B650 mm and weight 7.41kg

## PROVISION FOR ACCESSORIES

The stands comes with a provision to add a placard and a clip for mounting of signage. For details on the signages available please refer to the Signages section under Accessories.

## Single Fire Extinguisher Stand

Size: L-710 x B-320 x H-70 mm

## Double Fire Extinguisher Stand

Size: L-715 x B-505 x H-70 mm

## Triple Fire Extinguisher Stand

Size: L-715 x B-650 x H-70 mm

# MODULAR PLASTIC STANDS

Ceasefire Modular plastic stands are designed for both, functional simplicity and aesthetics. These one-universal size floor stands provide a secure and definitive place holder for fire extinguishers at sites. With an easy fix clap these stands can be

scaled up to hold single, double and triple extinguishers. Fire Extinguisher signages can be easily fixed on these stands giving a clear visual indication of the type of fire extinguisher it is holding.

## THE STANDS ARE AVAILABLE IN 3 VARIANTS:

CF Modulex Stand (Red) -  
Single

CF Modulex Stand (Red) -  
Double

CF Modulex Stand (Red) -  
Triple

# STROLLEYS

Fires can happen anywhere and at any time, which makes it important to install extinguishers in relevant places. But, what happens when a fire breaks out and the equipment is not easy to ferry around? Ceasefire presents the perfect accessory

to mobilise your fire fighting equipment. Our range of innovative fire extinguisher strolleys are capable of carrying one or two extinguishers. Think of them as life savers on wheels.

## THE STROLLEYS ARE AVAILABLE IN 2 VARIANTS:

Single Extinguisher Strolleys

Double Extinguisher Strolleys

## FEATURES:

- High quality construction for easy mobility.
- Retractable handles.
- Photo luminescent signs for visibility through smoke and darkness.
- Powder-coated, rustproof bodies.

## PRODUCT DIMENSIONS:

- Single Extinguisher Strolleys - 320 x 290 x 750mm
- Double Extinguisher Strolleys - 620 x 520 x 1150mm

# FLAT PACK TROLLEYS

Ceasefire Trolleys exemplify functionality by adding maneuverability to the stocking point of the fire safety equipment. It enables easy treading of

the equipment to the fire source aiding efficient fire fighting. The trolley has a provision to accommodate upto 2 fire buckets.

## THE CEASEFIRE TROLLEYS ARE AVAILABLE IN 3 VARIANTS

Trolleys for Single Extinguisher and a Fire Bucket

Trolleys for Single Extinguisher and a Fire Bucket

Trolleys for Triple Extinguishers and Two Fire Buckets

## FEATURES:

- The tubular body of the trolley is built from mild steel.
- Epoxy polyester powder paint finish in red.
- Nylon wheels with rubber tread for easy and quick deployment.
- Comes in a box packaging for ease of transit and storage.

## PRODUCT DIMENSIONS:

- Single Extinguisher Trolleys - 563 mm (L) X 419 mm (B) X 1100 mm (H) and weight 14.31kg
- Double Extinguisher Trolleys - 643 mm (L) X 419 mm (B) X 1100 mm (H) and weight 15.65kg
- Triple Extinguisher Trolleys - 878 mm (L) X 419 mm (B) X 1100 mm (H) and weight 18.1kg

## PROVISION FOR ACCESSORIES

The trolleys are equipped with provisions to install fire bucket. The universal mounting bracket makes it easy to use for all extinguisher types, makes, and designs.

## Trolleys for Extinguisher and a Fire Bucket

Size: L-650 x B-430 x H-150 mm

## Trolleys for Double Extinguisher and a Fire Bucket

Size: L-660 x B-480 x H-150 mm

## Trolleys for Triple Extinguisher and a Two Fire Buckets

Size: L-720 x B-675 x H-150 mm

# FLAT PACK FIRE EXTINGUISHER STAND

Ceasefire's Contractor Stand is a multi-utility fire safety station that stores fire extinguishers, safety signs, evacuation plan, medical kit and an evacuator as per the individual needs of the premises.

This being a comprehensive unit carries ample ammunition to provide first line of defence against fire. The stand comes with wheels that make it maneuverable, easy to cart around and can be taken to the point of fire with much ease.

## FEATURES:

- Stand body is built using a round tube made of mild steel.
- Outer body is epoxy polyester powder coated in red.
- The base has plastic wheels with nylon tyres that aids easy mobility.
- Comes in a box packaging for ease of transit and storage.
- The Ceasefire Contractor Stand can accommodate 3 extinguishers, safety signs, manual alarm, and a fire plan.

## OPTIONAL EVACUATOR

Stand alone, batter powered Sire-strobe to alert inhabitants of a premises in a fire emergency situation.

## PRODUCT DIMENSIONS:

- 878 mm (L) X 419 mm (B) X 1825 mm (H)
- Weight of the trolley - 30.16kg

# ACCESSORIES

A string of accessories are available that can be incorporated in the stands & trolleys.

■ **Signages**

The Stands & Trolleys can be accessorised with signages that can prove very useful in case of fire.

■ **Lable Clamps**

The Extinguisher stand can be suffixed using a clamp label on to the tubular Fire Extinguisher Stands.

■ **Fire Buckets**

The Stands & Trolleys have a provision to accommodate plastic fire buckets with lid.

■ **Placard with nuts**

An identifier for the type of a fire extinguisher stored, this placard with nuts can be mounted on the stand & trolley.

# SIGNAGES

Did you know that majority of the fires start in electrical mains, or because of an electrical short circuit? And even those fires that start elsewhere eventually result in a failure of electricity, because of damage to the mains and wiring.

Which means that in a fire situation, you can be sure that at some point, the entire premises will be plunged into darkness.

Noxious black smoke will fill the air, increasing the risk of asphyxiation for all in the area. A frightening

scenario when you consider the fact that asphyxiation and smoke poisoning are the highest causes of casualties in any fire. Darkness and poisonous smoke. A sure recipe for panic and utter chaos.

In such a situation, the single most important need of the hour is to evacuate all those on the premises to the nearest point of safety. As efficiently and quickly as possible.

And Ceasefire, quite literally, shows you the way.

## FIRE SAFETY SIGNS

Locator signs, fire extinguisher identification signs and more.

In case of a fire, the firefighting equipment on the premises needs to be located and activated quickly. Ceasefire Fire Safety Signs

help guide people to the nearest extinguishers, hosepipes, emergency alarms and so on.

# CEASEFIRE DESIGN CELL :

No two premises are alike. By offering the most flexible system configurations in the industry, Ceasefire provides the most efficient protection for facilities. Believing that the most effective fire solutions are the ones that are customised according to the unique characteristics of the area being protected, Ceasefire has established the Ceasefire Design Cell (CDC).

Functioning as the single touch point for all fire safety needs, CDC is manned by fire experts and managers with years of experience in fire safety under their belts. As a part of Ceasefire's 360 degree protection solution, the Ceasefire Technical Survey team visits your facility and conducts a detailed study to understand its vulnerabilities and requirements. They survey the premises and work out requirement based on fire threats in the room.

Once it has been finalised, Ceasefire's expert Installation Team oversee installation and testing. The Ceasefire Team also trains you and your staff to use the fire safety system.

## Benefits:

- An exhaustive planning process, executed by engineers with years of experience.
- State-of-the-art solutions and products in association with world leaders.
- Design and installation of your System overseen by professionals, ensuring delivery of a high quality & reliable system.

## CEASEFIRE NOW

360° lifesaving fire safety solutions. More than 3,000 new customers a month. A product sold every 61 seconds. A life saved every 5 minutes. Presence in over 300 cities and towns. Backed by a team of more than 2,000. 400 lifesaving products – from green fire extinguishers that can tackle any kind of fire to first of its kind automatic fire extinguisher to most advanced independent suppression systems – Ceasefire has it all. We're equipped and ready to protect your premises.
